SURVEY NOTES

This survey was made by the U. S. Department of Agriculture, Forest Service, for the purpose of restoring and establishing corners on the perimeter of Section 13 for establishing subdivisional corners within Section 13 and for locating and marking the boundaries of U. S. Government land on the perimeter and within Section 13, Township 32 North, Range 14 East, Fourth Principal Meridian, Langlade County, Wisconsin.

The U. S. Government lands in this section were acquired between 1936 and 1947.

The original government subdivision survey of this township was made in 1857.

The corner positions recovered, restored and established by this survey are marked by the monument described in the map legend.

The corner positions established were located to an accuracy of one part in 5000.

The bearings between corner positions are true bearings as determined by solar observations.

The field notes of this survey and a copy of this plat are on file in the Forest Supervisor's Office at Rhinelander, Wisconsin.
