SURVEY NOTES

This survey was made by the U. S. Department of Agriculture, Forest Service, for the purpose of restoring and establishing corners common to Sections 8 and 9, and for locating and marking the boundaries of U. S. Government land common to Sections 8 and 9, Township 32 North, Range 14 East, Fourth Principal Meridian, Langlade County, Wisconsin.

The U. S. Government lands in Section 9 were acquired in 1935.

The original government subdivision survey of this township was made in 1857.

The corner positions recovered, restored and established by this survey are marked by the monument described in the map legend.

The corner positions established were located to an accuracy of one part in 3000.

The bearings between corner positions are true bearings as determined by solar observations.

The field notes of this survey and a copy of this plat are on file in the Forest Supervisor's Office at Rhineland, Wisconsin.
