Dear Sir,

The Town of Vilas Town Board was petitioned by William Wiesshahn at our April 11, 2006, Town Board Meeting to discontinue any right of way, the Town of Vilas may have on the former Eagen's Road. The road is located between the NW $\frac{1}{4}$ of the NE $\frac{1}{4}$ and the NE $\frac{1}{4}$ of the NW $\frac{1}{4}$ of Section 26, off County Hwy. C, $\frac{1}{2}$ mile west of the intersection with County Highways H & I.

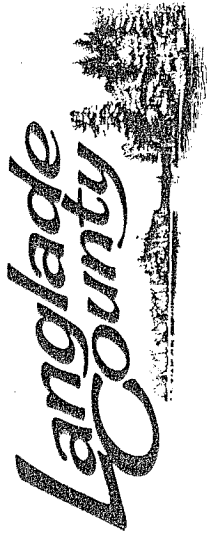

A motion was made by Louis Krivoshein to close Eagen's Rd. and remove from all Town Records and James Cole seconded the motion.

The Vilas Town Board requests it be removed from all previous records.

Sending a copy of map, where road is shown.

RE: Eagens Road

Dear Jeanette,

I received your letter regarding the discontinuance of Eagen Road. I will file the letter in the County Surveyors records as part of the records for Section 26.

I would like to suggest that you send a similar document to the Register of Deeds office for recording. That document should contain reference to the Town Board action and also a complete description of the abutting properties, including "40", Section, Township and Range. Documents in the Register of Deeds office are searched and used more by Title companies and lawyers, and this discontinuation may be of more value to them than to surveyors.

If you have any questions, please feel free to contact me. Thank you for sending this information.

Sincerely yours,

David E. Tlusty, RLS
