

SOUTH PARK.

SURVEYOR'S CERTIFICATE.

I hereby certify that I have within the past month surveyed the land represented by the within map, and platted the portions represented by the blocks numbered from one 1 to 18, inclusive, with the streets and alleys adjacent thereto by request of H.H. Hutchinson Agent of G.H. Roe the owner. Said blocks and streets and alleys constitute an addition to the City of Antigo Wis., which is to be known hereafter as South Park.

The plat embraces so much and only so much of sections 31 & 32, in T. 31, N. of R. 11 East as is in the blocks and streets and alleys above said.

The numbers of the Blocks are indicated by the large figures placed near their center and the numbers of the Lots by the smaller figures placed near their centers.

The width of the streets and alleys in feet is shown by figures placed near each end of each street and alley.

Small figures placed near lines indicate the length of lines near which they are placed, in feet.

The map is drawn to a scale of 200 feet to the inch and when the length of a line is not given it may be determined by reference to the scale.

The lots are generally 50 ft by 150 ft unless otherwise noted except in blocks 3, 13 & 14.

South Lincoln Street is a prolongation of Lincoln Street in the original Plat of Antigo.

The center of the north end of South Superior Street is the center of the south end of Superior Street in the Original Plat of Antigo.

Then Blocks 12, 14, 17, and 18 touch the Mill pond they are bounded by the edge of the water when there is an eight and one half (8 1/2) foot head on the dam at the foot of South Lincoln Street.

Stone No 1 (1/4 cor) is a gray boulder 6" x 8" x 28" with a + on top. Stone No 2 (1/4 cor) is a gray boulder 6" x 8" x 18" with a + on top. Stone No 3 (1/4 cor) is a gray boulder 6" x 8" x 18" with a + on top. Stone No 4 is a gray boulder " + " and is set at the intersection of the center line of South Superior Street with the quarter line through section 32.

There is also a gray boulder 6" x 9" x 20" set at the center of section 32 which has a + on top.

The within plat occupies a part of the T. 31, N. 11, E. 31, and a part of the T. 31, N. 11, E. 32, 31, 11.

In platting the above described land, I have complied with Chap. C1, Rev. Stat. Wis. 1878.

Antigo Wis.
June 30th 1885
B. F. Dorr
Surveyor.

There is also a gray boulder 6" x 9" x 20" set at the center of section 32 which has a + on top.

I Gilbert H. Roe hereby certify that I am the owner of the land described in the foregoing certificate of B. F. Dorr surveyor and that I caused the land so described to be surveyed and mapped as represented on the within map by the said Dorr.

Paul Weid,
H. H. Hutchinson.

State of Wisconsin }
County of Winnebago }

Be it remembered that on this 8th day of July A.D. 1885 personally came before me the above named Gilbert H. Roe to me personally known to be the person who executed the foregoing certificate and acknowledged the execution thereof to be his free act and deed for the uses and purposes therein mentioned.

H. L. Doughty
Notary Public Winnebago
County Wisconsin
